Under 8s Day

Last Friday, under beautiful blue skies, the lower school was a hive of activity and a sea of happy little faces as our Preps, Ones and Twos had a wonderful time at Under 8s. They made paper bag puppets, origami, crowns, maracas, masks, snake puppets, paper planes, butterflies and bubbles; tried their hands at threading, graffiti art, geometric patterns, chalk drawing and pavement art; played with sand, play dough, water, construction blocks, Mobilo, Duplo, Lego, outdoor equipment and bubbles; danced and sang along to our very talented instrumental
music students as they performed AND still had lots of energy left to dance enthusiastically at a seriously cool disco and be challenged on an obstacle course.

This day would not have happened without some very careful organisation and planning by Mrs Strohben and the hard work of our Junior school teachers who organised some wonderful activities. Our year 6 Rainbow Rangers demonstrated great maturity and leadership providing extra supervision and support at activities - especially resisting a very strong temptation to join in and play!
Chappy Week - Muffin Morning on Wednesday

This Wednesday Chappy Niki and her willing band of helpers will be selling muffins before school from the tuckshop. Chocolate, berry, apple or savoury muffins will be available from 8am - $1 for regular size and 50c for mini muffins.

Donations of fresh muffins and/or help on the morning will be gratefully received. All proceeds will go towards supporting Niki's work at our school.

Milo Mondays

Milo Mondays continue to be popular - only $1 per cup to warm cold tummies!

**Senior Band Ipswich Junior Eisteddfod Success**

Congratulations to the students of the Senior Band whose sterling performance earned them 1st place at the Ipswich Junior Eisteddfod last Thursday at the Ipswich Civic Centre. Thank you to all parents and family members who came to support us. Music festivals and Eisteddfods are a valuable learning experience for the students as they get to hear other students perform, as well as providing us with feedback in the form of...
adjudication by professional musicians on our strengths and areas for improvement. Here is what adjudicator Dr Mark Kruger said on our performance:

“The Spook” – “Great fun! This had loads of musical shape, contrast and cohesion. You responded well to your clear conductor and had clear musical purpose. Very enjoyable!”

“Blues Down Under”- “Well prepared and played well with great style. Brass were clear and led well (nice solos). Balance always well under control. Be sure not to be too much ‘behind the beat’ in this relaxed style.”

“Overall, a great impression, fine intonation, you have created a true ensemble. Well Done!”

The soloists mentioned by the adjudicator in “Blues Down Under” were- Ellis Gass (trumpet), Oscar Schulz (trumpet), Cassia Reynders (trumpet) and percussion section- Harry Hunter, Rory Smith and Seth Kyle.

Well done to everyone who contributed to the whole ensemble’s fine performance. Below is a link to an article in the Queensland Times:

Lessons and Junior/Senior Band Rehearsals Next Week

A reminder that there will be no instrumental music lessons or band rehearsals next Tuesday 2nd June or Wednesday 3rd June as I will attending the WestCent District Intermediate Music Camp.

Lessons and band rehearsals return to normal from June 9.

This is indicated on the student’s timetables.

Junior Band 1st Rehearsal Feedback

With 60 students coming together for the first time to create our Junior Band, I was bracing myself for what could potentially have been a wall of noise. After a few exercises and explanation about how to balance our sound, we were actually producing a quite pleasant sound that one would expect from a group that has been playing together for several weeks. Well done everyone on this first achievement! We of course will continue to develop and refine this skill as we start to learn our first band pieces.

Sixty students is actually quite a large ensemble and we fill the entire music room. This does pose a problem with the amount of time taken to set up and pack away for each rehearsal. There is a set-up and pack-up procedure that is to be followed every rehearsal to help facilitate in the smooth running of these procedures. The saying “many hands make light work” is very important for all our musicians and certainly helped make pack-up after our first rehearsal very efficient.

To ensure that we are able to start our rehearsal on time at 8am it is vital that ALL students arrive at school by 7:50am. Unfortunately, this week less than a quarter of the band was here by 7:50am. Luckily I had arrived early and with Mr Moore’s help, I was able to have everything ready on time for the entire band.
However, for the next rehearsal, it will be the students’ responsibility to set up the whole band (not just their own seats) before we commence playing at 8:00am.

Please remember:

- **On time** is 7:50am (set-up time), **late** is 8:00am (when we start playing).

- If a student arrives late (even say at 8:30am) they still must attend rehearsal.

- When a student arrives late, the correct rehearsal etiquette is for the student to set their instrument up outside and then wait quietly inside the door until there is a break in the band’s playing, before they can be seated. This is so they cause as minimal disruption to the rehearsal as possible.

- All absences will be required to have an explanation.

- Many hands make light work. (Lazy hands may find themselves with the task of packing away extra at the end of rehearsals).

**Lessons this Week**

Students will be assessed during their lessons this week. This assessment will contribute towards this Semester’s report card. Students were given their assessment task sheets last week.

**Strings News**

I will be away at Westcent District Camp for the whole of next week, so there will be NO lessons or rehearsals for Strings on Monday 1 June or Tuesday 2 June. All Instrumental Music Teachers from the Western and Centenary suburbs, including Mt Crosby, are required to attend this camp for the week, so no band or string students receive their normal lessons or have rehearsals at school.

Lessons and rehearsals will be back to normal the following week.

See you then!

**Runners Club**

Runners Club for students in Years 3 to 6 commenced on Monday this week and will continue on Tuesday, Thursday and Friday up until the athletics carnival. It starts at 8.30am. Students will be practising for sprint and 800m events.

Library News

Book Sale

Due to the success of our first ever book sale last year, we have decided to hold it again! During the 2nd last week of this term, culled books will be for sale* at lunch times. The books will be available for purchase at a flat rate of 50c (there are 2 or three titles that will be between $1 & $2). I need to stress that the books are quite old and may have ragged edges but are still readable. This time we will have fiction as well as non-fiction titles for sale. Hopefully, many students will take the opportunity to pick up a bargain. The money raised will be used to purchase new resources for the library.

*Only selected titles will be on sale.

Happy Reading Everyone!

Save the date for **Sunday 16th of August 2015.**

**VOLUNTEERS NEEDED:** If you would like to be a part of the team to help to organise this spectacular event we would love to hear from you. Please contact Community Liaison Officer, Michelle Badham mcss.pandc.clo@gmail.com for more information on how you can help out.

**Stall Holders**

We are now calling for expressions of interest from anyone who would like to hold a stall at the Family Funday. Names are being collected at this stage to assist with planning the event. Site allocation will be advised closer to the day.

Please email mcssmarket@gmail.com to register your interest.

**Under 8’s Day Café**

Thank you to the lovely ladies from OSHC, Tika and Belinda who worked in the Under 8’s Day Café last week. Cups of coffee, tea and sweet treats for parents were warmly received on a chilly Friday morning. We saw lots of new faces, many whom were visiting OSHC for the first time. The staff happily answered parent’s questions about the facility, while the children had a great time making new friends, playing, drawing and exploring all the fun things to do in OSHC.

**Sports Day Café**
Back again by popular demand, the P&C will be holding their Sports Day Café again this year. If anyone is available to help out on Tuesday 23rd or Wednesday 24th of June during the sports day activities to, sizzle a sausage or sell a cup of coffee we would love to hear from you.

**Being a volunteer at Sports Day also means you have lots of extra eyes and ears keeping track of when your child is participating in an event. We all make sure nobody misses any of their children's special moments while they are helping out.**

Please contact Community Liaison Officer, Michelle Badham mcss.pandc.clo@gmail.com for more information on how you can help out.

**MOTHER'S DAY STALL - PRODUCT RECALL**

A courtesy reminder for anyone who received this gift, purchased from our recent Mothers' Day stall. Unfortunately we have been made aware of a few faults with the item and have been advised it **SHOULD NOT BE USED!** The heat from the burner may damage furniture and the scented wax, when melted, won’t be contained in the dish.

If you were the recipient of this gift, please contact the P&C through OSHC and we can organise a full refund immediately. We will be contacting the supplier next week so this will be the last opportunity for anyone to return the gift.

We appreciate that many mums don’t want to offend their children by returning their specially chosen gift and are happy to keep it as an ornament.

**Tuckshop News**
A big thank you to our regular Home Baker and Tuckshop volunteers, Jean McCausland-Green, Crystal Sprigg, Leslie Wood, Mikhaila Robertson, Lee Hanly, Melinda Gau ci, Chantel Devereaux and Helen Cooper for all your help again last week.

**Home Bakers urgently needed**

Tuckshop is very fortunate to have two regular Home Bakers, Jean McCausland-Green and Crystal Sprigg who regularly bake muffins and cookies for the children and teachers to enjoy.

If you enjoy baking and have a little bit of time to spare why not consider becoming a volunteer Home Baker. Ingredients and instructions are supplied for your convenience.

**Teacher's Choice Special**

The Teachers Choice special, Mild Chicken, Thai Red Curry with Rice, as delicious as it was, will now be replaced with another taste bud sensation, Mild Indian Curry, Butter Chicken with optional Pappadums. Orders can be made online or over the counter before 9:00am.

**Special Donation Request**

Thank you to a former volunteer who popped into Tuckshop last week and donated her stool. Such a simple gesture meant a lot and was very much appreciated.

If you would like to know more about helping out in Tuckshop, please contact our Convenor Jodie Coutts on 3813 2257. All help is welcome and very much appreciated.

**Out of School Hours Care (OSHC) News**

Last week at OSHC...
Sport activities included playing a new game, 'Capture the Flag', with a twist! The children loved being kept on their toes with different variations and challenges to the game. We also played in the sandpit, playground and continued with our wonderful gymnastics. It has been exciting to see the childrens' confidence soar over the past few weeks as their gymnastic skills continue to improve. Some children have achieved amazing things they never thought they would even try, such as HANDSTANDS!

We have been super lucky to use Ms West's craft idea of using balloons to create our own little floating friends. At the moment we are enjoying using our imaginations which has led to making box collage and producing all sorts of fun creations.

Cold weather and winds this week set the mood for soup for afternoon tea. We also had lots of bread and yummy winter foods. Don't forget to bring your jumper to OSHC.

Thanks to the parents who came and visited us during under 8's on Friday! We hope you enjoyed your coffee and snacks served with love by our staff members Ms Beckham and Miss Tika.

Commonwealth Bank School Banking Program

There have recently been some changes to the CBA banking software which includes a change in reward ordering.

Coupons advising of reward options will be sent home on the 8th deposit, rewards can be ordered on the 9th deposit and, in most cases, will be received on the 10th deposit.

The rewards cannot be given before the 10th deposit, but should arrive in time so that students will receive them on the same day as their 10th deposit.

Mt Crosby Historical Fact

Did you know?...

The early 1890s brought hardship to most Australians. A credit squeeze pressed hard on the economy and resulted in understandable civil disobedience. Strikes were rife and for a time it wasn’t at all certain whether Australians were headed towards federation or some sort of civil war. It was 1895 before workers sensed an improvement in things and their labour again started to have some value. That was the year of Patterson’s “Man From Snowy River” and also a second attempt at a federation movement. At least some things were looking up, so the working men of Mount Crosby felt confident enough to ask the Board for something more. Their best shot is recorded below, and in it are some interesting details about life at the works in October of 1895:

_Gentlemen,_

_We, the undersigned employees of the Board stationed at Mt Crosby have the honour to inform you that on the occasion of your last visit to the pumping station we had arranged for two of our number to act as a deputation on our behalf to ask if you could see your way to return the five percent [deducted from wages in 1895], but the Chief Engineer informed them that it would have to be put in writing. Therefore we now gladly avail ourselves of this opportunity of sending you the attached reasons in support of our request, and we venture to hope that they will be of some assistance to you in your deliberation. We have the honour gentlemen to subscribe ourselves your obedient servants: Geo McPhail, William Bowling, James Little, Edward King, Thomas Craddock, Alex McDougall, Robert Allen, Andrew Simpson, W Mayne, W Butler._

1. **Increased Cost of Living**

   A few months ago bread had advanced fully 25% and now the butcher who supplies the [pumping] station has followed suit to the same amount and with every prospect of going higher instead of lower.

2. **Medical Aid**

   Since we have resided here, it has been greatly required. Many of the cases being of such a serious nature that the doctor had to be brought out at a cost of £3.3/ per visit [about $300 in today's money] as compared with 5/ in town [about $23 today] and unfortunately no less than six deaths has taken place.

3. **Extra Work**
We are called upon to wash the reservoir and other work as it arises, for which we receive nothing, not even time allowed off.

4. Holidays

That we hardly ever get, but work from Jan to Dec. It will admit of no question that in this respect your employees in town has a great advantage over us.

5. Sunday Work

As you must be aware we do a considerable amount of it, a certain amount of flue cleaning and pumping when required, besides keeping watch in rotation on the bridge and works.

6. [Isolation]

We are given to understand in good faith; that the firemen of the New Farm Refinery receive from £4 to £6 per year more than we do; and that only for six days per week, any Sunday work paid for extra. Therefore it is easy to understand the advantage they enjoy over us socially and otherwise, and as in the case of the family growing up, they are of assistance to them, whereas owing to our isolated position we are rendered helpless in that direction.

7. [Return of the 5% Deduction]

As the Government have returned the percentage deducted from the Civil Servants, we hope the Board will favourably consider that as a precedent to go on.

In submitting the petition for the men, Chief Engineer Joseph Stewart paid them the sort of compliment usually reserved for retirement speeches. The men were, he wrote, the most efficient, well behaved and well doing body of men he’d ever had under his charge. That doesn’t sound like a man whose reputation was one of being a strict disciplinarian, perhaps even an autocratic slave driver. I’ll bet he never told them …
