

MOUNT CROSBY STATE SCHOOL

YEAR 3 BOOK LIST – BeConnected BYOD 2022

Attached is the recommended booklist for your child's class in 2022. There are several categories:

1. Items to be purchased:

Karalee News has provided costings for the items in the Book Pack but there is absolutely no obligation to purchase from them. There are many companies who will be able to assist with your book pack purchases and most, including Karalee News will provide an opportunity to purchase a complete pack that can be collected before school returns.

2. Items Available from the Uniform Shop

Students in Prep will require a Library Bag. These can be purchased from the Uniform Shop.

The Uniform Shop will open in the week prior to school commencing in 2022 –

Monday 17th - Thursday 20th between 8.30am and 10.30am and also between 1.30pm and 3.30pm.

3. Items to be brought from Home

These items can be purchased independently and brought into school at the start of the 2022 School Year.

4. Student Resource Scheme 2022

There are many costs associated with providing quality educational opportunities. Whilst the cost of providing instruction, administration and facilities for the education of a *student* at a state school is met by the State, the provision of resources is met through both school and parent resources.

In 2022, Mount Crosby State School will continue to operate a Student Resource Scheme (SRS) as an economical alternative for the provision of high-quality resources for their students. SRS is organized by the school, operates under the policy and guidelines of the Department of Education, Training and Employment (DETE) and is approved annually and endorsed by the P&C Association.

Participation in the scheme is optional, however before you make your decision, please read the contents of Student Resource Scheme document to see how you are able to make significant savings. The scheme is not used to raise funds for any other purposes, and revenue collected through the scheme is applied only to the operation of the scheme.

The cost of the scheme ranges from \$20 to \$60 per student depending on the year level. A separate document detailing the resource scheme will be sent home prior to the end of the school year and participants will be invoiced in 2022.

In addition, other activities and excursions will be scheduled during the year and these are on a user pay basis.
