Dear Parents/Carers

All of our classroom computers are connected to the Internet via Education Queensland’s filtered Managed Internet Service, which connects all state schools to the Internet.

It is proposed that, as part of their unit of work, students access various teacher selected sites for educational activities.

Computers are located in the classroom and are supervised. We are asking you to sign the Prep to Year 3 Computer and Internet Access Agreement below. When your child is in Year 4, you and your child will be asked to read and sign an annual “ICT Acceptable Use Agreement Form”. Students will not have Internet access until the below agreement is signed.

If you have any queries please contact your class teacher.
